

# 406 GOOGLE SUMMIT IDEA RING COLLABORATION CHALLENGES

There's a card in your Idea Ring that lists a number of Collaboration Challenges (aka Exciting Opportunities). If you are "caught" taking on one of these Challenges by event facilitators, you will get a sticker!

# Growth Mindset

A growth mindset is marked by  
dedication, hard work, and resiliency.  
You love learning!

# Googley Goodness

Trying new ways to go all-out Google?  
Sharing your ideas with others?  
Googley Goodness is both  
a trick and a treat!

# Slam!

Grab your lunch and take it to LI 148  
for a jam-packed, high-energy,  
super-fun geek out session.

# Team Work

There is no "I" in team or in Google!  
Besides, everything is more fun  
when you are doing it together!

# Above & Beyond

You don't have to be  
Superman or Supergirl  
(or even dressed like them) to go  
above and beyond.

# MT Spirit

Not sure what this might look like?  
Maroon and silver or blue and gold?  
Rugged and wind-blown?  
Stand proud, Montana!
